

2019 FALL|WINTER SKATEBOARD WORKBOOK

PROCESSES

Cool Press

-Our boards are pressed one by one with a new pressing process that involves more time in the press at lower temperature:

- Longer lasting
- Higher pop
- More stiffness

100% Canadian Hardrock Maple

- Selection of 1st grade Premium Wood.
- No split or imperfect veneers.

100% Eco Friendly

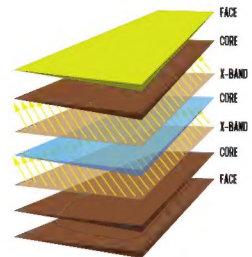

-Our processes are always developed to be polite with our environment. All our manufacturing processes are made with ecological products and our leftovers are properly recycled, always looking for and eco friendly factory.

Seven Plies

-Standard 7 ply deck's pressed with our cool pressing process that makes the boards:

- 14.5% stronger
- 8% stiffer
- Higher pop
- Longer lasting

2XS Glue Formula

- Strongest deck of the market, more than ever.
- The composition is also ecologic.
- The best for the environment and our employers health.
- Special ecofriendly water based glue 2XS, formula refined over the years with the best specialist, is produced in Europe to ensure outstanding strength, incredible sustainable and consistent pop.

Quality Control

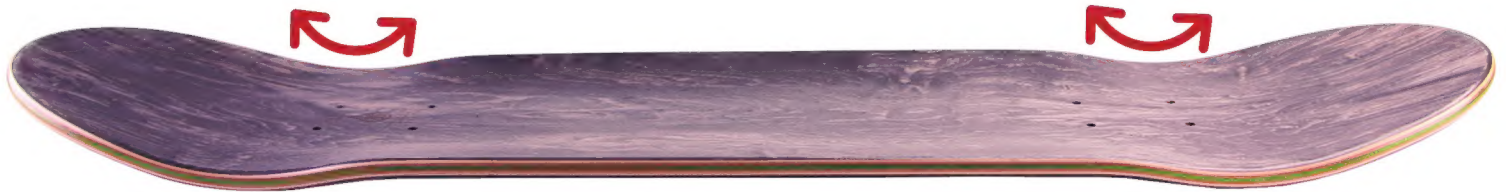

The highest level of quality control in the industry ensures that every deck is perfectly finished and with your needs compliant.

keep it simple, two different concaves for two different styles

HIGH CONCAVE

The High Concave is especially designed for those riders for a reactive and automatic board. Boards with a consistent pop in addition to the deep and sexy curves. That boards are geared to all around and transition skateboarding, Riding that concave you will feel a versatile board and all the control under your feet.

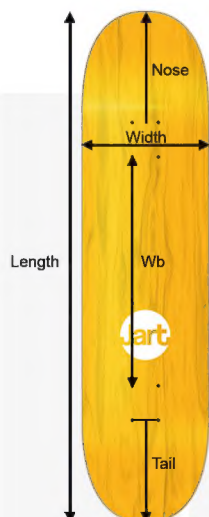

LOW CONCAVE

The Low Concave is especially designed for those riders looking for a balanced board. The main features are a high pop, reactivity on flip tricks and easy handling. The classic popsicle shape makes it perfect for your switch riding. It is a board geared to street skateboarding, our pro riders favourite shape. Riding that concave you will feel a smooth surface where you can move freely your feet.
